

THE COST OF THE SCHOOL DAY

COST OF THE SCHOOL DAY WALL FRIEZE

The Cost of the School Day images in the Flashcard Resource can be printed out in A3 and stuck together to make a wall frieze. This can be used at Parents' Evenings, at assemblies or at other school events where you are seeking the opinions of as many people as possible.

Participants can:

- write their thoughts about different parts of the school day on Post It notes and stick it on the appropriate image
 - write down and post their thoughts into a confidential postbox next to the frieze
 - look at the images and discuss them briefly with a person staffing the frieze.
- put sticky dots on the top 3 parts of the day which cost them a lot or which they consider problematic
