

THE COST OF THE SCHOOL DAY

Voice network activities – raising awareness

Design a group logo

An activity to help your group think more about what your aims and actions will be, as well as creating promotional materials to let the rest of the school know what you're doing.

Why don't you design a group logo to let other people know about your group and what you're trying to do? You could use pen and paper or have a look online at free design platforms like Canva.

Make a big list of words to describe what your group is all about and what you're trying to do, then sketch some ideas based on these words.

Pick colours and fonts that stand out.
