

THE COST OF THE SCHOOL DAY

Voice network activities – asking everyone about costs

Set up a school suggestion box

Help your group find out what other people at school think about costs at school.

You'll need a sealed box - a cardboard box is fine - which you can cut a slot for posting suggestions. You might want your suggestion box to be about one specific thing, maybe 'How can uniforms be cheaper?' or 'What can we do to make sure everyone can afford to come and have fun at the Christmas fair?'

This is a really good anonymous way to ask questions, and it can help you get honest answers or suggestions as people don't feel embarrassed about telling you things.
