THE COST OF THE SCHOOL DAY CLOCK

This clock can help to prompt discussion about school costs and financial barriers to participation with groups of staff, children, young people or parents/carers.

Accompanying prompt questions

- What costs are involved in each part of the school day?
- What problems or barriers might children and young people from low income households face throughout the school day?
- What does the school do now to prevent or help with this?
- What else might help?
